

FLUO MARKER® FLUORESCENT FORESTRY MARKING PAINT

Reference	131300	131313	131316	131317	131318	131319	131325
Colour	White	Red	Orange	Yellow	Green	Blue	Cherry

Product description

FLUO MARKER® is a fluorescent forestry marking paint. It responds to many uses: marking trees for felling over the short and medium term, marking for thinning, temporary delimitation of stands or forestry plots, logs and timber awaiting sale, lumber inventories.

FLUO MARKER® allows highly visible marking with its high concentration of highly fluorescent pigments. Its nozzle is designed for writing and precise marking realisation. This product has an excellent performance and covering power without drips thanks to its formulation.

Recommendations for use

- ❖ Avoid exposure to temperatures above 50°C
- ❖ Keep away from sources of ignition, heat and sunlight.
- ❖ Do not smoke
- ❖ Do not drill the aerosol
- ❖ Do not burn the aerosol
- ❖ Safety data sheets are available free of charge on our website www.soppec.com

Instructions for use

1. Before use: shake vigorously (even after hearing clearly the balls)
2. Use FLUO MARKER® « head up », about 10cm from the support
3. After use, put the aerosol in « head down » position and purge during 2 seconds to clean the valve and the nozzle
